CIVIL COMPLAINT:
DISCRIMINATORY PRACTICES IN
PUBLIC ACCOMMODATIONS
[42 U.S.C. 12182(a) ET. SEQ; CIVIL
CODE 51, 52, 54, 54.1]

DEMAND FOR JURY TRIAL
[F.R.Civ.P. rule 38(b)]

INTRODUCTION

Plaintiffs herein complain, by filing this Civil Complaint in accordance with rule 8 of the Federal Rules of Civil Procedure in the Judicial District of the United States District Court of the Southern District of California, that Defendants have in the past, and presently are, engaging in discriminatory practices against individuals with disabilities, specifically including minorities with disabilities. Plaintiffs allege this civil action and others substantial similar thereto are necessary to compel access compliance because empirical research on the effectiveness of Title III of the

1 Americans with Disabilities Act indicates this Title has failed to achieve full and equal access
2 simply by the executive branch of the Federal Government funding and promoting voluntary
3 compliance efforts. Further, empirical research shows when individuals with disabilities give
4 actual notice of potential access problems to places of public accommodation without a federal
5 civil rights action, the public accommodations do not remove the access barriers. Moreover,
6 although there has been substantial litigation and enforcement of the barrier removal requirements,
7 there no enforcement of the auxiliary aid requirements. A public accommodation is required to
8 provide auxiliary aids and services that are necessary to ensure equal access to the goods, services,
9 facilities, privileges, or accommodations that it offers, unless an undue burden or a fundamental
10 alteration would result. This obligation extends only to individuals with disabilities who have
11 physical or mental impairments, such as vision, hearing, or speech impairments, that substantially
12 limit the ability to communicate. In order to provide equal access, a public accommodation is
13 required to make available appropriate auxiliary aids and services where necessary to ensure
14 effective communication. The type of auxiliary aid or service necessary to ensure effective
15 communication will vary in accordance with the length and complexity of the communication
16 involved. Public accommodations should consult with individuals with disabilities wherever
17 possible to determine what type of auxiliary aid is needed to ensure effective communication. In
18 many cases, more than one type of auxiliary aid or service may make effective communication
19 possible. While consultation is strongly encouraged, the ultimate decision as to what measures to
20 take to ensure effective communication rests in the hands of the public accommodation, provided
21 that the method chosen results in effective communication. Signing and interpreting are not the
22 same thing. Being able to sign does not mean that a person can process spoken communication into
23 the proper signs, nor does it mean that he or she possesses the proper skills to observe someone
24 signing and change their signed or fingerspelled communication into spoken words. The interpreter
25 must be able to interpret both receptively and expressively. Auxiliary aids and services include a
26 wide range of services and devices that promote effective communication. Examples of auxiliary
27 aids and services for individuals who are deaf or hard of hearing include qualified interpreters,
28

1 notetakers, computer-aided transcription services, written materials, telephone handset amplifiers,
2 assistive listening systems, telephones compatible with hearing aids, closed caption decoders, open
3 and closed captioning, telecommunications devices for deaf persons (TDD's), videotext displays,
4 and exchange of written notes. Examples for individuals with vision impairments include qualified
5 readers, taped texts, audio recordings, Brailled materials, large print materials, and assistance in
6 locating items. **TRIPPLE AAA ASSOCIATION FOR CHILDREN AND ADULTS WITH**
7 **DEVELOPMENTAL DISABILITIES** advocates for the provision of auxiliary aids. Therefore,
8 Plaintiffs make the following allegations in this federal civil rights action:

9 **JURISDICTION AND VENUE**

10 1. The federal jurisdiction of this action is based on the Americans with Disabilities Act, 42
11 United States Code 12101-12102, 12181-12183 and 12201, et seq. Venue in the Judicial District
12 of the United States District Court of the Southern District of California is in accordance with 28
13 U.S.C. § 1391(b) because a substantial part of Plaintiffs' claims arose within the Judicial District of
14 the United States District Court of the Southern District of California.

15 **SUPPLEMENTAL JURISDICTION**

16 2. The Judicial District of the United States District Court of the Southern District of
17 California has supplemental jurisdiction over the state claims as alleged in this Complaint pursuant
18 to 28 U.S.C. § 1367(a). The reason supplemental jurisdiction is proper in this action is because all
19 the causes of action or claims derived from federal law and those arising under state law, as herein
20 alleged, arose from common nucleus of operative facts. The common nucleus of operative facts,
21 include, but are not limited to, the incidents where Plaintiffs were denied full and equal access to
22 Defendants' facilities, goods, and/or services in violation of both federal and state laws when they
23 attempted to enter, use, and/or exit Defendants' facilities as described below within this Complaint.

24 Further, due to this denial of full and equal access, **TRIPPLE AAA ASSOCIATION FOR**
25 **CHILDREN AND ADULTS WITH DEVELOPMENTAL DISABILITIES, SUING ON**
26 **BEHALF OF ITS MEMBERS;** and other persons with disabilities were injured. Based upon the
27 said allegations, the state actions, as stated herein, are so related to the federal actions that they
28

1 form part of the same case or controversy and the actions would ordinarily be expected to be tried
2 in one judicial proceeding.

3 **NAMED DEFENDANTS AND NAMED PLAINTIFF**

4 3. Defendants are, and, at all times mentioned herein, were, a business or corporation or
5 franchise organized and existing and/or doing business under the laws of the State of California.
6 Plaintiffs are further informed and believe and thereon allege that Defendants GAMK INC; DBA
7 SCALINI RESTAURANT & BAR are the owners, operators, and/or lessors of the real property, as
8 well as the business operated thereon.

4. The words "Plaintiffs" and "Plaintiff's Member" as used herein specifically include the organization and TRIPPLE AAA ASSOCIATION FOR CHILDREN AND ADULTS WITH DEVELOPMENTAL DISABILITIES , SUING ON BEHALF OF ITS MEMBERS; and persons associated with its Members who accompanied Members to Defendants' facilities. Defendants Does 1 through 10, were at all times relevant herein subsidiaries, employers, employees, agents, of. GAMK INC; DBA SCALINI RESTAURANT & BAR Plaintiffs are ignorant of the true names and capacities of Defendants sued herein as Does 1 through 10, inclusive, and therefore sues these Defendants by such fictitious names. Plaintiffs will pray leave of the court to amend this complaint to allege the true names and capacities of the Does when ascertained.

5. Plaintiffs are informed and believe, and thereon allege, that Defendants and each of them herein were, at all times relevant to the action, the owner, lessor, lessee, franchiser, franchisee, general partner, limited partner, agent, employee, representing partner, or joint venturer of the remaining Defendants and were acting within the course and scope of that relationship. Plaintiffs are further informed and believe, and thereon allege, that each of the Defendants herein gave consent to, ratified, and/or authorized the acts alleged herein to each of the remaining Defendants.

1 members of the disability community who use a wheelchair for mobility are being denied their civil
2 rights under federal and state laws – that is, each member of the disability community who use a
3 wheelchair for mobility suffered substantially similar violations relating to exterior path of travel
4 facilities, entrance facilities, restrooms, interior path of travel facilities, and display facilities.

5 Further, the claims or defenses of the representative parties are typical – Plaintiffs have the right to
6 access facilities, establishments, and businesses like those within the facility in which Defendant
7 **GAMK INC; DBA SCALINI RESTAURANT & BAR** is located for many reasons such as the
8 purchase of retail merchandise. Defendants’ facilities are open to the general public and Plaintiffs
9 have been denied access because of violations, as outlined above and specifically addressed
10 elsewhere within this Complaint. Additionally, Plaintiffs, as the named representatives, will fairly
11 and adequately represent the interests of the class because Plaintiffs and the members of the
12 disability community in the State of California who use a wheelchair for mobility have suffered
13 substantially similar violations. Finally, a pattern and practice exists on the part of Defendants, and
14 each of them, of architectural discrimination at their public facilities located within the State of
15 California. On information and good faith belief, Plaintiffs thereon allege that Defendants, prior to
16 the passing of the Americans With Disabilities Act in 1992, conceived, commissioned, designed,
17 and implemented among other things, a design for their public facilities, including, but not limited
18 to disabled parking facilities, exterior path of travel facilities, restroom, entrance facilities, interior
19 path of travel facilities, and display facilities, which do not meet the minimal standards outlined
20 under the federal regulations known as the Americans With Disabilities Act Accessibility
21 Guidelines (“ADAAG”) and state regulations, also known as Title 24 of the California Building
22 Code, and to which non-compliant plan they continue to utilize to the injury of the members of the
23 class. For these reasons and the facts as stated herein, Plaintiffs have the right to maintain this
24 statewide class action pursuant to Fed.R.Civ.P. Rule 23(b).

25
26 **CONCISE SET OF FACTS**

27 7. Plaintiff’s Members went to the **GAMK INC; DBA SCALINI RESTAURANT & BAR**.
28 As Said Members are unable to walk Plaintiff’s Members uses a walker or wheelchair. Plaintiff

1 alleges its visually and hearing impaired members desire to go to Defendants' facility but cannot
2 because of lack of auxiliary aids. Defendants failed to provide auxiliary aids and services that are
3 necessary to ensure equal access to the goods, services, privileges, or accommodations that it
4 offers. Title 28, part 36.303 of Code of Federal Regulations states:

5 (a) General. A public accommodation shall take those steps that may be necessary
6 to ensure that no individual with a disability is excluded, denied services, segregated
7 or otherwise treated differently than other individuals because of the absence of
8 auxiliary aids and services, unless the public accommodation can demonstrate that
9 taking those steps would fundamentally alter the nature of the goods, services,
10 facilities, privileges, advantages, or accommodations being offered or would result
11 in an undue burden, i.e., significant difficulty or expense.

12 (b) Examples. The term "auxiliary aids and services" includes:

13 (1) Qualified interpreters, notetakers, computer-aided transcription services, written
14 materials, telephone handset amplifiers, assistive listening devices, assistive
15 listening systems, telephones compatible with hearing aids, closed caption decoders,
16 open and closed captioning, telecommunications devices for deaf persons (TDD's),
17 videotext displays, or other effective methods of making aurally delivered materials
18 available to individuals with hearing impairments;

19 (2) Qualified readers, taped texts, audio recordings, Brailled materials, large print
20 materials, or other effective methods of making visually delivered materials
21 available to individuals with visual impairments;

22 (3) Acquisition or modification of equipment or devices; and

23 (4) Other similar services and actions.

24 (c) Effective communication. A public accommodation shall furnish appropriate
25 auxiliary aids and services where necessary to ensure effective communication with
26 individuals with disabilities.
27
28

1 Defendants failed to comply with Title 28, part 36.303 of Code of Federal Regulations as it failed
2 to provide Qualified readers, taped texts, audio recordings, Brailled materials, or large print
3 materials. Plaintiffs specifically allege that Defendants knew, to a substantial certainty, that the
4 architectural barriers precluded wheelchair access. First, Plaintiffs will prove that Defendants had
5 actual knowledge that the architectural barriers precluded wheelchair access - that it would be hard
6 to believe that noncompliance with ADAAG as to accessible entrances could be other than
7 intentional. Second, due to the abundance of ADA information and constant news covers of ADA
8 lawsuits, Defendants had actual knowledge of the ADA and decided deliberately not to remove
9 architectural barriers. Third, Defendants have no plans to remodel. Fourth, it would be hard to
10 believe that Defendants did not have actual knowledge of ADA given all the ADA public
11 awareness campaigns, the abundance of free ADA information and the media's constant ADA
12 coverage. Fifth, a human being acting for the defendants made a conscious decision as to how to
13 proceed given the presence of the architectural barriers. Plaintiffs allege any alternative methods
14 preclude integration of wheelchair patrons, as it requires them to use a second-class entrance. Also,
15 expert testimony will show the facility contained inaccessible features. Plaintiffs allege businesses
16 often state that they have few customers with disabilities. Plaintiffs allege such customers avoid
17 patronizing inaccessible business and are deterred from patronizing such businesses. The courts
18 have recognized deterrence-based damage claims under Civil Code 54.3 and 52. Since California
19 courts have held that the California disability access laws manifest an intent on the part of the
20 legislature that they be interpreted in a manner that maximizes incentives for compliance, (see
21 Donald, 266 Cal. Rptr. at 808-11) the courts conclude that application of this canon of construction
22 requires that 54.1 and 51, and their respective damages provisions, 54.3 and 52, be interpreted as
23 extending to claims based on incidents of deterrence. The courts therefore hold that where a
24 plaintiff can prove that violations of applicable California disability access standards deterred her
25 on a particular occasion from attempting to attend a place of public accommodation, that plaintiff
26 states a claim for relief under California Civil Code 54.1 and 51 and, in particular, for damages,
27 under 54.3 and 52. Plaintiffs allege people with disabilities still face systemic discrimination each
28

1 and every day. One of the most debilitating forms of discrimination is segregation imposed by
2 others. Discrimination also includes exclusion, or denial of benefits, services, or other
3 opportunities that are as effective and meaningful as those provided to others. Discrimination
4 results from actions or inactions that discriminate by effect as well as by intent or design.
5 Discrimination also includes harms resulting from the construction of transportation, architectural,
6 and communication barriers and the adoption or application of standards and criteria and practices
7 and procedures based on thoughtlessness or indifference-of benign neglect. Discrimination also
8 includes harms affecting individuals with a history of disability, and those regarded by others as
9 having a disability as well as persons associated with such individuals that are based on false
10 presumptions, generalizations, misperceptions, patronizing attitudes, ignorance, irrational fears, and
11 pernicious mythologies. Discrimination also includes the effects a person's disability may have on
12 others. The ADA aim is: (1) To provide a clear and comprehensive national mandate for the
13 elimination of discrimination against individuals with disabilities; [and] (2) to provide clear, strong,
14 consistent, enforceable standards addressing discrimination against individuals with disabilities.
15 (42 U.S.C. § 12101(b)(1), (2) (Supp. II 1990)) Plaintiffs allege the legislative history of the Act,
16 which reflects congressional concerns over the deleterious effects of discrimination against people
17 with disabilities. As a result, Congress incorporated within Title II of the ADA the remedial
18 provision in Section 504 of the Rehabilitation Act of 1973. (As amended 29 U.S.C. § 794a)(42
19 U.S.C. § 12133)(See *Smith v. Barton*, 914 F.2d 1330, 1336 (9th Cir. 1990), cert. denied, 111 S.Ct.
20 2825 (1991)) Much has been written recently about the ADA and its mechanisms of enforcement.
21 (See e.g., *Doran v. Del Taco, Inc.*, --- F.Supp.2d ---- (C.D. Cal. June 9, 2005); *Molski*, 347
22 F.Supp.2d at 862-63; *Parr v. L & L Drive-Inn Restaurant*, 96 F.Supp.2d 1065, 1070-71
23 (D.Haw.2000)) For purposes of this suit, it is sufficient to note that the statute creates a private
24 right of action through which a litigant may seek injunctive relief as well as attorneys' fees and
25 costs. (42 U.S.C. § 2188(a)) Plaintiffs allege that it cannot be said that because an attorney has
26 chosen to specialize in an area, which provides statutory attorneys fees his practice is necessarily
27 suspect. Class actions, antitrust, and consumer protection statutes are just some of the examples
28

1 where the legislature has made a determination that society will benefit from private attorneys
2 general. The ADA is but another example. Plaintiff TRIPPLE AAA ASSOCIATION FOR
3 CHILDREN AND ADULTS WITH DEVELOPMENTAL DISABILITIES , SUING ON BEHALF
4 OF AND ITS MEMBERS; is an organization that advocates on the behalf of children and others
5 with disabilities specifically including adults who use wheelchairs when their civil rights and
6 liberties have been violated. Plaintiff's Member visited the place in 2006 and plans on returning to
7 the place and he encountered architectural barriers there. Association standing requires that (1) its
8 members would otherwise have standing to sue in their own right, (2) the interests the association
9 seeks to protect are germane to the organization's purpose and (3) neither the claim asserted nor the
10 relief requested requires the participation of individual members. *Hunt v. Washington Apple*
11 *Advertising Commission*, 432 U.S. 333, 343; *Greater Los Angeles Council On Deafness, Inc. v.*
12 *Baldrige*, 827 F.2d 1353, 1358 (9th Cir. 1987). Plaintiffs have standing to bring this action.
13 Plaintiff Association has at least four members who use wheelchairs as they cannot walk at all. The
14 purpose of the Association is to fight to remove access and architectural barriers.

15 8. Plaintiff's Member and Plaintiff(s) have physical impairments because their conditions
16 affect one or more of the following body systems: neurological, musculoskeletal, special sense
17 organs, and/or cardiovascular. Further, Plaintiff's Member and Plaintiff(s) said physical
18 impairments substantially limits one or more of the following major life activities: walking and
19 sight. In addition, Plaintiff's Member and Plaintiff(s) cannot perform one or more of the said major
20 life activities in the manner, speed, and duration when compared to the average person. Moreover,
21 Plaintiff's Member and Plaintiff(s) has a history of or has been classified as having a physical
22 impairment as required by 42 U.S.C. § 12102(2)(A).

23 9. Plaintiff's Members expressly intend to patronize the establishment and the property that is
24 the subject of this Complaint in the immediate future.

25 10. Defendants failed to remove access barriers within the parking, exterior path of travel and
26 entrance public accommodations of Defendants' establishment. Plaintiff's Member was deterred
27 from patronizing the facility.
28

1 11. The architectural regulations or "design standards" implemented by the federal ADA are
2 often referred to in the literature as "ADAAGs," which is an acronym for "ADA Architectural
3 Guidelines." (See *Independent Living I*, 982 F. Supp. at pp. 707-708 ["The guidelines issued by the
4 Access Board are denominated the 'ADA Accessibility Guidelines' ('ADAAG.'). The design
5 standards enacted by the Attorney General are identical to the ADAAGs, but are denominated as
6 'Standards.' Despite the technical distinction, the two terms are often used interchangeably."];
7 *Access Now, Inc. v. Ambulatory Surgery Center Group, Ltd.* (S.D. Fla. 2001) 146 F. Supp. 2d
8 1334, 1336 ["These guidelines are called ... ("ADAAG")"].) The "ADAAGs" are found in
9 Appendix A to Part 36 of title 28 of the Code of Federal Regulations. The ADAAG violations
10 alleged here are basically so intuitive that it would be hard to believe that noncompliance with them
11 could be other than intentional.

12 12. Plaintiff(s) was deterred from patronizing the facility due to the alleged ADA violations
13 and/or alleged architectural barriers outlined in Paragraphs 10 through 11 above.

14 13. While Plaintiff's Member expressly wants to patronize Defendant's establishment and the
15 property that is the subject of this Complaint in the immediate future, Plaintiff and Plaintiff's
16 Member is expressly deterred from returning to the establishment and the property that is the
17 subject of this Complaint due to the existence of the architectural barriers outlined above in
18 Paragraphs 10 through 11.

19 14. Pursuant to federal and state law, Defendants are required to remove barriers to their
20 existing facilities. Further, Defendants had actual knowledge of their barrier removal duties under
21 the Americans with Disabilities Act and the Civil Code before January 26, 1992. Also, Defendants
22 should have known that individuals with disabilities are not required to give notice to a
23 governmental agency before filing suit alleging Defendants failed to remove architectural and sight
24 barriers.

25 15. Plaintiffs believe and herein allege Defendants' facilities have access violations not
26 directly known by Plaintiff which preclude or limit access by other members of Plaintiff
27 organization or other persons with disabilities.
28

1 16. Based on these facts, Plaintiffs allege Plaintiff's Member and Plaintiff(s) were
2 discriminated against each time he patronized Defendants' establishment. Plaintiff's Member was
3 extremely upset due to Defendants' conduct.

4 **NOTICE**

5 17. Plaintiffs are not required to provide notice to the defendants prior to filing a complaint.
6 (See *Botosan v. Paul McNally Realty*, 216 F.3d 827, 832 (9th Cir 2000)) However, a member made
7 an auxiliary aid request.

11 18. **GAMK INC; DBA SCALINI RESTAURANT & BAR;** and Does 1 through 10 will be

SECOND CAUSE OF ACTION AGAINST ALL DEFENDANTS - CLAIMS UNDER CALIFORNIA ACCESSIBILITY LAWS

CLAIM I: Denial Of Full And Equal Access

31. Based on the facts plead at ¶¶ 6-16 above and elsewhere in this complaint, Plaintiff's Member and Plaintiff(s) was denied full and equal access to Defendants' goods, services, facilities, privileges, advantages, or accommodations within a public accommodation owned, leased, and/or operated by Defendants as required by Civil Code Sections 54 and 54.1. Defendants' facility violated California's Title 24 Accessible Building Code by failing to provide access to Defendants' facilities due to violations pertaining to the Space Allowance and Reach Ranges, Accessible Route, Protruding Objects, Ground and Floor Surfaces, Parking and Passenger Loading Zones, Curb Ramps, Ramps, Stairs, Elevators, Platform Lifts (Wheelchair Lifts), Windows, Doors, Entrances, Drinking Fountains and Water Coolers, Water Closets, Toilet Stalls, Urinals, Lavatories and Mirrors, Sinks, Storage, Handrails, Grab Bars, and Controls and Operating Mechanisms, Alarms, Detectable Warnings, Signage, and Telephones. These violations denied Plaintiff's Member and Plaintiff(s) full and equal access to Defendants' facility. Thus, Plaintiff's Member and Plaintiff(s) was subjected to discrimination pursuant to Civil Code §§ 51, 52, and 54.1 because Plaintiff's Member and Plaintiff(s) was denied full, equal and safe access to Defendants' facility, causing severe emotional distress. The Disabled Persons Act is found in *sections 54* of the Civil Code, and has been around in some form on the statute books since the late 1960's--more than 20 years before the federal ADA. (See Stats. 1968, ch. 461.) The Disabled Persons Act begins with the statement in *subdivision (a) of section 54* that "Individuals with disabilities or medical conditions have the same right as the general public to the full and free use of ... public facilities, and other public places." (*β 54, subd. (a).*) *Section 54* is immediately followed by *section 54.1, subdivision (a)(3)* of which--in contrast to the more spartan reference to the ADA in *section 51*--specifically incorporates ADA regulations. The enforcement of *section 54* is to be found in *section 54.3. Subdivision (a)(3) of*

1 *section 54.1* provides: " 'Full and equal access,' for purposes of this section in its application to
2 transportation, means access that meets the standards of Titles II and III of the Americans with
3 Disabilities Act of 1990 (Public Law 101-336) and federal regulations adopted pursuant thereto,
4 except that, if the laws of this state prescribe higher standards, it shall mean access that meets those
5 higher standards." *Subdivision (a) of section 54.3* provides in its entirety: "Any person or persons,
6 firm or corporation who denies or interferes with admittance to or enjoyment of the public facilities
7 as specified in *Sections 54* and *54.1* or otherwise interferes with the rights of an individual with a
8 disability under *Section 54, 54.1, and 54.2* is liable for each offense for the actual damages and any
9 amount as may be determined by a jury, or the court sitting without a jury, up to a maximum of
10 three times the amount of actual damages but in no case less than one thousand dollars (\$ 1,000),
11 and attorney's fees as may be determined by the court in addition thereto, suffered by any person
12 denied any of the rights provided in *Sections 54, 54.1, and 54.2*. 'Interfere' for purposes of this
13 section, includes, but is not limited to, preventing or causing the prevention of a guide dog, signal
14 dog, or service dog from carrying out its functions in assisting a disabled person." *Section 54.3* was
15 construed in the 1990 *Cafe Royale* decision as providing for strict liability--that is, liability without
16 any need for intentional conduct--prior to the 1992 legislation which added both *subdivision (f) to*
17 *section 51* and *subdivision (c) of section 54* (back then in the context of the minimum penalty under
18 *section 54.3* which was \$ 250; now it is \$ 1,000). *Cafe Royale* was a case decided prior to the
19 enactment of the ADA, and contains not a word about federal law. It was also decided exclusively
20 under *Civil Code section 54 et seq.*, and contains not one word on the Unruh Act. In *Cafe Royale*,
21 a wheelchair user (a former deputy Attorney General and member of the Attorney General's task
22 force on disability) discovered that he could not reach the main dining area of a tiered restaurant on
23 his own, though the restaurant offered to lift him up the stairs. He declined an offer of help because
24 it would attract attention and because he might be dropped in the process of being bodily picked up
25 and moved. He sued the restaurant under *section 54.3* because of the absence of ramps or elevators
26 to the second-tiered area. The restaurant thought that it had complied with the law because its
27 architect thought, based on an informal conversation with an employee of the San Francisco
28

1 building department, that a certain number of handicapped seating places was "all that was needed
2 for compliance." (See *id. at p. 174.*) The building department employee, however, gave the
3 restaurant architect erroneous advice. In fact, the State Building Standards Code (required by
4 *Government Code section 4450 et seq*) provided that all floors of a restaurant be on a common level
5 or else accessible by either ramps or elevators. While a hardship exemption might be obtained, 75
6 percent of the main dining area would still need to be handicap accessible, and the Cafe Royale's
7 option of seating wheelchair patrons in the bar or having them carried to the common area was a
8 violation. On appeal, the fact of the violation was understood by all parties: "All parties agreed that
9 Cafe Royale's seating capacity was in violation of the handicap access requirements." (*Cafe Royale,*
10 *supra, 218 Cal. App. 3d at p. 174.*) Hence issue was joined as to whether the restaurant's "good
11 faith" belief that it was "in compliance" (*ibid.*) was sufficient to deny the patron recovery under
12 *section 54.3*. The trial court thought so, but the appellate court disagreed. The appellate court
13 reasoned thusly: the fact that *section 54.3* said a person who "denies or interferes with admittance
14 to or enjoyment of the public facilities as specified in *section 54* and *54.1* ... is liable for each
15 offense ... but in no case less than two hundred fifty dollars (\$ 250)" The court said: "The plain
16 meaning of this language is that ordinarily minimum statutory damages in the amount of \$ 250
17 must be awarded for a denial of equal access in violation of *section 54 et seq., notwithstanding the*
18 *defendant's intent.*" (*Id. at p. 177.*) The *Cafe Royale* court reasoned that an interpretation of *section*
19 *54.3* that included an element of intentional violation would, because the level of compliance
20 would diminish, yield "a result that is clearly repugnant to the statutory purpose." Further, the
21 *Donald* case held a Plaintiff need not visit the facility to sue for compliance. (*Id. at pp. 179-180.*) So
22 the trial court reversed the trial court judgment awarding the plaintiff nothing, and concluded that
23 he was entitled to the \$ 250 statutory minimum. (See *id. at pp. 180-181.*) Café Royale applies here.
24 Thus, Defendants' good faith efforts, if any, are irrelevant as is any reliance on a city building
25 inspector.
26

27 **CLAIM II: Failure To Modify Practices, Policies And Procedures**

28 32. Based on the facts plead at ¶¶ 6-16 above and elsewhere herein this complaint, Defendants

1 failed and refused to provide a reasonable alternative by modifying its practices, policies, and
2 procedures in that they failed to have a scheme, plan, or design to assist Plaintiffs and/or others
3 similarly situated in entering and utilizing Defendants' services as required by Civil Code § 54.1.
4 Thus, Plaintiff's Member and Plaintiff(s) were subjected to discrimination in violation of Civil
5 Code § 54.1.

6 **CLAIM III: Violation Of The Unruh Act**

7 33. Based on the facts plead at ¶¶ 6-16 above and elsewhere herein this complaint and because
8 Defendants violated the Civil Code § 51 by failing to comply with 42 United States Code §
9 12182(b)(2)(A)(iv) and 42 U.S.C. § 12183(a)(2), Defendants did and continue to knowingly
10 discriminate against Plaintiffs and persons similarly situated in violation of Civil Code §§ 51, 52,
11 and 54.1. Plaintiffs allege the access violations alleged here are so obvious as to implicate at least a
12 prima facie case of discriminatory intent.

13 34. Based on the facts plead at ¶¶ 6-16 above, Claims I, II, and III of Plaintiffs' Second Cause
14 Of Action above, and the facts elsewhere herein this complaint, Plaintiffs will suffer irreparable
15 harm unless Defendants are ordered to remove architectural, non-architectural, and communication
16 barriers at Defendants' public accommodation. Plaintiffs allege that Defendants' discriminatory
17 conduct is capable of repetition, and this discriminatory repetition adversely impacts Plaintiffs and
18 a substantial segment of the disability community. Plaintiffs allege there is a state and national
19 public interest in requiring accessibility in places of public accommodation. Plaintiffs have no
20 adequate remedy at law to redress the discriminatory conduct of Defendants. Plaintiffs desire to
21 return to Defendants' places of business in the immediate future. Accordingly, the Plaintiffs allege
22 that a structural or mandatory injunction is necessary to enjoin compliance with state civil rights
23 laws enacted for the benefit of individuals with disabilities.

24 35. Wherefore, Plaintiffs pray for damages and relief as hereinafter stated.

25 **DEMAND FOR JUDGMENT FOR RELIEF:**

26
27
28 A. For injunctive relief pursuant to 42 U.S.C. § 12188(a).

- 1 B. For damages pursuant to Cal. Civil Code § 52 or 54.3

- 3 51, 52; 54.3;
- 4
